

Roy, Y. (2018). Bangla pronoun & reflexive comprehension task for adults. Jawaharlal Nehru University. CC-BY-NC.

This set of language tasks is being conducted by Yangchen Roy from the Centre for Linguistics at JNU, as part of her PhD research work. Please read the following before giving your consent to proceed with the tasks.

About the research: Two kinds of tasks, a "Match or Mismatch task" and a "Fill-in-the-blank task" are designed to examine how adult speakers of Bangla interpret and use pronouns.

Risks: There are no known risks to participating in these tasks.

Confidentiality: The tasks guarantee complete anonymity. At no point in time, during the analysis of the language samples or during publication, will your identity be revealed.

Rights of the Participant: Participation is completely voluntary and you may withdraw at any point during the tasks. You may contact the researcher at yangchenroy@gmail.com to inquire further on the nature of the research.

By clicking on the following "NEXT", I submit that the terms and conditions of the task have been adequately explained to me and, therefore, agree to participate in the tasks.
